2,000 Toxicology Board Review Questions by Richard J ...

Toxicology is a deep complex topic area, which can devour a disproportionate amount of studying time in preparation for the boards. Unlike many other subjects however, it lends itself to some word associations and other high value studying. This list has been compiled to facilitate some rapid review. Basic Word Associations Acetaminophen – NAC Anticholinergic Toxidrome (Jimsonweed, Benadryl,

Toxicology Board Review - Resus Review

The reviews of the annual inservice questions and those found in the Q-bank is that they are often not indicative of what is tested on the actual board exam. Nevertheless, every 2 years there are triumphant newly minted toxicologists who emerge on the other side of the Pearson VUE computer station with their sphincter intact.
