**A to Z of Crochet: The Ultimate Guide for the Beginner to ...**  
"A to Z of Crochet" is a very helpful book. It is spiral bound so the pages stay flat when open. The photos are very clear and the book is organized well. My only complaint is that there is not a section on learning how to read crochet patterns.

**A to Z of Crochet by Martingale & Company**  
I have A to Z of Crochet and A to Z of knitting. Both books are really nice. Plenty of pictures to show you the techniques you need to get you started and some more complex techniques that I've not seen before. If you are a beginner, need a refresher course, or want a basic "how to" tool, I would recommend either of these books for your library.
