AT&T Wire Technician Interview Questions | Glassdoor

During wire week (week 6 of out-of-state training with hotel and meals provided) I needed 10-15 more minutes to perform function tests and then write them onto the test paper. The company preaches "get it right the first time, and speed comes with experience" but they do not practice it.

AT&T - Will cut you for one test training failure. - Glassdoor

AT&T is a great company, but you first have to pass the Mechanical Assessment test. This is an outline of what you can expect on the test. From what I hear they do change it every so often. But if you research and study all the topics outlined below you have just as good a chance as any mechanically inclined joe on the street.
