BUSINESS SKILLS 2. Negotiation and persuasion skills The term 'negotiating' can cover anything from a hard team negotiation for better terms in a contract, to simple everyday situations, such as discussing the best place to have lunch. At some time or another, every manager needs to persuade an employee or a customer to change their

Little book of business skills

Good business writing can be about more than simply clarifying or sharing knowledge, again relationship building through writing is something that matters in a lot of contexts not considered immediately to involve business skills. As with other Dummies books this one makes good use of dialogue boxes, headings, subheadings, bullet points, tables and a system of icons which include tips, points to remember, technical stuff and warnings to help make the text navigable.
