BOEING 737-600/700/800/900 - YouTube

Boeing initiated an effort in 1999 to update the maturing maintenance program for the 747-100/-200/-300 (i.e., 747 Classic). Because the 747 Classic and 747-400 are structurally similar, Boeing and the industry decided to update the maintenance program for the 747-400 at the same time. The revised maintenance requirements comply with industrywide
