If your library doesn't have a subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library.

Cinva Ram Construction Manual

This manual was compiled by VITA (Volunteers in Technical Assistance) from material based on the experience of several field workers who have used the CINVA-Ram Block Press. It is hoped that the manual will make it easier to use the machine. VITA would appreciate receiving any criticisms or suggestions for improving the manual.

Cinva Ram. Prensa Manual para la fabricación de adobe, la cual tiene la versatilidad de fabricar diversos tipos, con los cuales se facilita la construcción de vivienda de interés social y ecológica.

Cinva Ram - GRACOMAQ

Hydraulics seem like they would be simpler, but the cinva is ingenious in the way it pushes from both sides--greatly reducing the stress and size of steel needed. Getting the same pressure from hydraulics is surprisingly hard. The manual press cycles faster, too, until you get to a \$100k setup. I was shocked, too.

I built a Cinva-Ram CEB press, and I made it easier for ...

Charmaine Taylor: Original Founder of DirtCheapBuilder.com

The version of this technology that we'll be using this summer to construct our second intern yurt is known as the CINVA-Ram, a manual brick making machine developed by Raul Ramirez of the Inter-American Housing Center (CINVA) in Bogota, Columbia.

Rammed Earth Brick Machine

I was frustrated because the only plans or presses I would find were metal construction (CINVA/ GRAGO Ram) which I do not have the tools or the budget to put one of these together. That led me down the wood and bolts road as well. I am impressed with Amedean's design and all of the thread ideas and feedback.

\$30 method to make compressed earth blocks (CEB). (cob ...

Locally fabricated Cinva Ram (Fig 1.1), is the most common manually operated lever-action CEB press. It costs between N120, 000 and N180, 000 depending on the quality of the fabrication.
