### User Manual - ECLIPSe

The "checkout first" workflow covers the case where the reviewer starts the review by checking out the review in the Eclipse workspace. From there, the user navigates to the files that have been changed, double clicks on them, and adds comments directly from the Eclipse editors (e.g. from the java file editor).

### EGerrit/User Guide - Eclipse

Juno Eclipse was a Human female officer in the Alliance to Restore the Republic during the Galactic Civil War, having defected from the Galactic Empire after she was accused of treason. Born on the Core World Corulag around the end of the Clone Wars, she was the daughter of a civilian engineer and a teacher.

### Che quick-starts | Eclipse Che Documentation

To get started, right click on a Java project in Package Explorer, and select the option labeled "Find Bugs". FindBugs will run, and problem markers (displayed in source windows, and also in the Eclipse Problems view) will point to locations in your code which have been identified as potential instances of bug patterns.. You can also run FindBugs on existing java archives (jar, ear, zip, war etc).

### Chapter 7. Using the FindBugs™ Eclipse plugin

NASA's Juno spacecraft has found some striking oddities in the planet's atmosphere, including exotic lightning and slushy hail "mushballs.". Juno spotted an unusual form of lightning which ...
