This is really the diary of a young Englishman who enlisted in the French Foreign Legion around 1960, for a five-year term of enlistment. It is an excellent account of his experiences during and after the Algerian independence movement. I wanted to learn more about the Legion after reading "Beau Geste" and this book is fascinating.

The book is actually a diary which the author faithfully maintained over his five grueling years in the Legion. His account is captivating--a first rate novelist would be hard pressed to produce a story with as much force, sensitivity and depth of characterization. I don't know if the author has written other works.
