Home | Foreign Policy White Paper

The paper begins with a brief focus of the shift of American foreign policy from isolationism to internationalism and how the Spanish-American War, World War II, the cold war, and the events of September 11, 2001, influenced this shift of American foreign policy. The paper then concentrates on the endogenous dynamics, beginning with an analysis of the executive branch and its effects over the direction and decision making of American foreign policy as well as the effects of the controversial ...
