Robert The Rose Horse

"Robert the Rose Horse" was one of my favorite books as a kid in the early/mid 70s. It's darling, funny, has great repetition of its jokes, and is just plain FUN to read dramatically with kids, who can learn to play along and quote the repeated parts in order to participate.

Robert the Rose Horse (0394800257) by Joan Heilbroner

A good early reader about the sympathetic Robert the Rose Horse. My five year old is sensitive, so I was watching him very carefully for reactions to the harsher elements of the story: separation from your parents, loosing your nice job, coming across bad guy robbers, etc. He held it together although I could tell he was touched by the story.

Robert the Rose Horse Caption : The dangerous novel has become useful. As a rule, this type of survey is small and does not seem to always take into account too many alternative explanations, or even the differences between correlation and causality, but always shows new findings that lead in the same direction not easily ignored.
