### **What Is Short-Selling? | The Motley Fool**

Motivation to Sell Short Short sellers take on these transactions because they believe a stock's price is headed downward, and that if they sell the stock today, they'll be able to buy it back at a lower price at some point in the future. If they accomplish this, they'll make a profit consisting of the difference between their sell and buy prices.

Meet at a public place if you're buying or selling items locally. Choose a place in well-lit, public location, such as a parking lot at a supermarket, cafe, or police station since they're safer. Choose a time when a lot of people are around in case something bad were to happen during the transaction.
