In the darkest of times, the girls find their allotment a tranquil, happy escape. Using pierced dustbin lids to sieve through the shrapnel and debris, they bring about a powerful change, not just in the factory, but their own lives. As the war rages on, the garden becomes a place of community, friendship - and deceit.

Set in the East End, in Bow to be exact, during WWII, The Allotment Girls tells the story of four friends. They all work tirelessly in a match factory and support each other and their community as much as they can. Actually, their friendship is one of the key elements of the story and one that I enjoyed immensely.
