Still, this Volume 5 is still very much worth the get, even if its sense of epic isn't as "epic" as in the previous editions. But no one blends those personal little moments and those large scale, world-hanging-in-the-balance moments quite as exquisitely as Kirkman. And no one draws his stuff as invigoratingly as Ryan Ottley. This

Camouflage is the use of any combination of materials, coloration, or illumination for concealment, either by making animals or objects hard to see, or by disguising them as something else. Examples include the leopard's spotted coat, the battledress of a modern soldier, and the leaf-mimic katydid's wings. A third approach, motion dazzle,
