The continuum concept is an idea, coined by Jean Liedloff in her 1975 book *The Continuum Concept*, that human beings have an innate set of expectations (which Liedloff calls the continuum) that our evolution as a species has designed us to meet in order to achieve optimal physical, mental, and emotional development and adaptability. According to Liedloff, in order to achieve this level of ...

Continuum concept - Wikipedia

The Continuum Concept by Jean Liedloff In Search of Happiness Lost Jean Liedloff, an American writer, spent two and a half years deep in the South American jungle with Stone Age Indians. The experience demolished her Western preconceptions of how we should live and led her to a radically different view of what human nature really is.

Though not written as a child-rearing manual, The Continuum Concept has earned a reputation as an excellent resource for parents and parents-to-be who intuitively feel that the parenting "techniques" of the modern era are inherently misguided. It has also been helpful to many adults — parents and non-parents alike — who hope to recover the natural state of happiness lost as a result of the modern child-rearing practices of their well-meaning parents.

The Continuum Concept - by Jean Liedloff

The Continuum Concept: In Search Of Happiness Lost is a landmark book about raising children in a way that maximizes happiness for parents and their children. But in our society, it's so difficult to misinterpret it, or lose sight of Jean Liedloff's true message.
