The Inevitable: Understanding the 12 Technological Forces That Will Shape Our Future. By Kevin Kelly. The main contribution of Kelly, in his previous book 'What Technology Wants' and in this one, is in his framing of the forces of change. Most people (and companies) focus on specific technologies, social and cultural changes and corporate evolution described as trends (or 'mega-trends' in the most popular corporate-speak) and ignore or misinterpret the underlying causes of why these ...
