In contrast with other texts in the field, which offer advice based on intuition or opinion, *A Guide to Effective Studying and Learning* is the first text of its kind to be based on learning research. Covering understanding, innovation, creativity, and collaboration & teamwork, this practical guide introduces readers to the actual science of learning.

A Guide to Effective Studying and Learning: Practical ...

The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon. It differs not only from psychological and anthropological studies of mysticism, but from other theological studies, such as more practical or pastorally-oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development.
