The Basic Exercises - Zen Imagery Exercises (meridian stretching)

Not only do Meridian Exercises serve to speed up the healing process, they also serve to maintain our health. The main difference between Meridian Exercises and other forms of stretching exercises is the active use of visualization. The mental imagery is used along with movements as a device to keep our mind engaged with our body.

Meridian Exercises, arising from Zen Shiatsu and also known as Meridian Stretches, Makko Ho or Zen Imagery Exercises, are yoga-like exercises that open the body and encourage the flow of Ki.

Shiatsu Works / Movement

He pioneered Zen Shiatsu, an art much deeper than what is studied in the mainstream. He understood the workings of the body on an energetic level. Zen Imagery exercises are simple, yet profound. I had the great fortune to study Zen Shiatsu in Japan with a student of Master Masunaga and I have incorporated the philosophy into my own art of Zen Yoga.
